Overview

Brother P-Touch PT-H110 Handheld Labelling Machine

Portable P-touch label maker great for home, home office and on-the-go use.

Features a QWERTY keyboard, convenient one-touch keys and an easy-view display to preview your labels before printing.

Easily personalize your labels with 3 fonts, 14 frames, and over 250 symbols.

Also organize your wires and cables with the useful cable labelling feature.

Creates labels with 1 or 2 lines of text.

Built-in memory stores up to 15 labels for fast reprinting.

Uses durable, laminated easy-peel TZe tape up to 12mm (~1/2) wide.

Powered by 6 AAA batteries or optional AC adapter (each sold separately).

Includes 12mm starter tape.

- Lightweight and portable
- Easy-type QWERTY keyboard
- Easy-view graphical display for easy preview before printing
- One-touch keys for easy access to fonts, styles and frames
- 3 fonts, 14 frames and more than 250 symbols

- Useful cable labelling feature to easily organize your wires and cables
- Stores up to 15 labels for quick reprinting
- Prints 1 or 2 lines of text on labels up to 12mm wide (approx. ½)
- Uses Brother TZe tapes in a variety of colours, sizes and types: standard, extra strength, acid free adhesive, cable and wire, fabric iron on and more
- Flexible - Works with 6 x AAA batteries (not included) or optional AC adaptor
