Overview

Brother QL-810W Professional Ultra-fast Label Printer with Wireless Networking

The Ultra-Fast Brother QL-810W label printer helps busy professionals easily tackle a variety of labelling tasks.

With the Brother QL-810W ultra-fast label printer you can create amazing Black/Red labels using DK-2251 or cost-effective, paper labels for packages, envelopes, file folders, name badges, postage and more.

Ultra-fast, printing up to 110 standard address labels per minute with black text at 300dpi.

The built-in Wireless interface offers easy connectivity - print from virtually anywhere or share on a network.

With Brother's network management tools it is easy to integrate and manage on any network.

Create and print labels from your mobile device when connected to a wireless network via: AirPrint, Brother iPrint and Label.

Using the free, Brother iPrint and Label app with your Apple iPhone, iPad, and iPod touch or Android smartphones you can quickly access and print label templates - or create your own custom labels with graphics or photos.
