Overview

Brother MFC-L8900CDW (A4) Colour Laser Multifunction Printer (Print/Copy/Scan/Fax) 512MB 4.68 inch Colour LCD 31ppm (Mono) 31ppm (Colour) 4000 (MDC)

A great all-rounder, the MFC-L8900CDW colour laser multifunctional machine, is a great addition to businesses.

The MFC-L8900CDW has been designed with advanced paper handling options in mind, enabling you to choose the most optimum paper input for your business. Together with a large built-in touchscreen, NFC connectivity and fast automatic document feeder, makes this multifunctional printer a valued efficient member to your office.

Versatile paper handling enables you to add multiple sized lower and tower trays.

Providing maximum device uptime, as less time is spent replenishing paper trays.

Together with the Enhanced document scanning and an 80 page Automated Document Feeder offers a quick and simple way scan direct to the cloud or your network.

With the optional high yield toner cartridges, productivity is enhanced whilst reducing your overall printing costs, over the lifetime of the device.

Built to perform for longer and meet the demands of high output work environments, the L5000 range has been totally remodelled with robust build quality that's even more resilient and hardwearing.

Brother's latest colour laser range is compliant with a number of environmental standards including German Blue Angel, Nordic Swan and Energy Star.

As a result, not only does it help your business work more efficiently, it is also more energy efficient, reducing impact on the environment and lowering your costs at the same time.
