Overview

Brother DCP-L6600DW (A4) Mono Laser Multifunction Printer (Print/Copy/Scan) 512MB 4.8 inch Colour Touchscreen 46ppm (Mono)

The all-in-one that's designed with the busy office in mind.

Robust build quality combined with versatile paper handling options gives you outstanding results repeatedly.

The new optional super-high-yield toner cartridges significantly reduces your print spend, making this machine the ideal print partner for your office.

First page out time is just 7.5 seconds followed by a fast print speed of up to 46ppm.

Standard paper input is 570 expandable to 2,650.

As well as improved performance, reducing print spend is something that every business looks at - with the optional 12,000 page super high yield toner your overall printing costs will reduce dramatically.

Perform for longer, with a recommended monthly volume of up to 7,500 pages to meet the demands of the busy office.

Plus, units have been totally remodelled with robust build quality that's even more resilient and hardwearing.

Design improvements include an 80 page auto document feeder that enables high speed 2-sided scanning straight into a document management system.

Along with a more intuitive 12.3cm touchscreen and user-friendly interface and improved support for different media and connectors to popular cloud based services such as Microsoft SharePoint , it's just what busy workgroups have been waiting for.

The DCP-L6600DW has the highest levels of security.

Meeting requirements with secure function lock 3.0, Active directory connectivity and Internet Protocol

Security (IPsec).

Plus, the range features Print Archive, Secure Reset.

Brother print solutions are exciting packages of innovation designed to make doing business easier.

By offering a range of print solutions to help your customers maximise print efficiency and minimise costs, we help you add value to every printer.

The DCP-L6600DW 3-in-1 is awarded with the stringent German Blue Angel, Nordic Swan and Energy Star environmental standards.

That means that this printer is classed as particularly energy efficient.

Also, separate toner and drum mean you can help protect the environment and lower costs at the same time.

- Super-fast print speeds of up to 46ppm
