Overview

Epson EcoTank ET-4500 (A4) Colour Inkjet Wireless All-in-One Printer (Print/Copy/Scan/Fax) 5.6cm Mono LCD 33ppm (Mono) 15ppm (Colour) EP55242

The star of the ET-4500 is its newly designed integrated ultra-high-capacity ink tank system, which completely does away with the need for ink cartridges.

That means less fuss and much more printing between refills than other inkjet printers.

Imagine not having to think about ink for two years.

As well as doing away with ink cartridges, the ET-4500 has four colour 70ml Epson genuine ink bottles in the box, which make it easy, clean and quick to fill the ink tanks.

- No ink cartridges: Easy-refill ink tank system
- Wi-Fi and Apps: Print from mobile devices
- 4-in-1: Print, copy, scan and fax
