Overview

Epson EcoTank ET-3600 (A4) Colour Inkjet Multifunction Printer (Print/Copy/Scan) 5.6cm Mono LCD 33ppm (Mono) 20ppm (Colour) EP61492

The ideal choice for any busy home or home office, this 3-in-1 inkjet printer can print up to 11,000 pages without the need for cartridges.

The star of the ET-3600 is its newly designed integrated ultra-high-capacity ink tank system, which completely does away with the need for ink cartridges.

That means less fuss and much more printing between refills than other inkjet printers.

It includes two complete sets of ink, helping you to stay stocked up for longer.

They're designed to work together, so it's straightforward and mess free to fill the tank with the bottles.

- Fuss-free maintenance: Easy-refill ink tank system
- Wi-Fi and Epson Connect: Print on the go from mobile devices
- 3-in-1 with duplex: Print, copy and scan with double-sided printing
