Overview

Brother DCP-L2530DW Mono Laser Printer

Designed for your busy home and small offices, the affordable DCP-L2530DW comes feature rich, with fast print speeds and built-in wireless connectivity, all in a simple and compact unit.

Simple to setup and use.

The DCP-L2530DW is one of our fastest, and most efficient 3-in-1 printers, you can keep costs low with the high yield toners.

With the larger than average paper tray, you can spend less time refilling paper, and focus on the matter at hand.

Designed to be set up and ready to use in minutes, the DCP-L2530DW comes with fast print speeds of up to 30 pages per minute, and wireless connectivity to print from your mobile phone or tablet.

With cost being a key factor for many businesses, we've ensured that the DCP-L2530DW gives you the best value for money.

Using our high yield toner cartridges, together with automatic 2-sided print, can seriously reduce the cost of each print job.

Built to perform for longer.

The Brother mono laser range, has been designed for you and your business.

Made from robust and hard-wearing material, providing the peace of mind that your printer will keep on going.

Being quiet no longer means slow.

All the models within the range, print quietly at less than 50dB.

Making these printers, ideal to sit on your desk, printing quietly at full speed, while you work without interruption.

Brother's mono laser range is compliant with a number of environmental standards including German Blue Angel, Nordic Swan and Energy Star.

As a result, not only does it help your business work more efficiently, it is also more energy efficient, reducing impact on the environment and lowering your costs at the same time.

- Print speeds of up to 30 pages per minute
