Overview

Brother HL-L6300DWT (A4) Mono Laser Wireless Printer 256MB 4.5cm Touchscreen Colour LCD 46ppm 7,500 (MDC) with Extra Lower Tray

Open up new business opportunities with this robust machine.

Offering excellent paper handling options, super fast print speeds and the new optional super-high-yield toner cartridges significantly reduces your print spend, making this machine the ideal print partner for your business.

Versatile paper handling, enables you to add multiple lower trays, and mailbox options across the range.

This provides maximum device uptime, as less time is spent replenishing paper trays and searching for your printed documents.

With the optional high yield toner cartridges, productivity is enhanced, whilst reducing your overall printing costs.

Built to perform for longer and meet the demands of high output work environments, the L6000 range has been totally remodelled with robust build quality that's even more resilient and hardwearing.

In today's business environment, we understand that organisations demand the highest levels of security.

In order to address this, the L6000 range is enabled with secure function lock 3.0, 802.1x and Internet Protocol Security (IPsec).

The range also boasts Print Archive, Secure Reset, Certificate Management and Near field communication (NFC) functionality for secure user access and authentication.

- Super-fast print speeds of up to 46ppm
- A4 2-sided print speed: Up to 24 images per minute
- Intuitive 4.5cm touchscreen LCD display
- Integrated NFC Reader, giving users better document security and improved user authentication for pull printing
