Overview

Lexmark MS317dn (A4) Mono Laser Printer 128MB 2-Line LCD Display 33ppm 50,000 (MDC) LEX64329

The Lexmark MS317dn offers reliability, security and optional wireless, with built-in duplexing, networking and printing up to 33 pages per minute.

Print up to 33 pages per minute, with the first page in as little as 6.5 seconds, thanks to a powerful 800 MHz dual-core processor and 128 MB of memory that easily handle complex documents.

Easily print up to 2,500 pages per month, plus enjoy fewer maintenance hassles, thanks to our state-of-the-art paper handling.

An optional second tray raises input capacity to 850 sheets, so you won't have to add paper as often.

Lexmark's exclusive Unison Toner keeps your cost of printing low, with toner yields that provide great value at prices that are budget friendly.

Monitor device and job status and configure special features via two-line display.

- Print Complex Documents Fast
- Reliable Performance
- Two-line LCD display
- Optional wireless printing
