Overview

Lexmark CS728de (A4) Colour Laser Printer (Duplex/Network) 1024MB 4.3 inch Colour Touchscreen 47ppm 150,000 (MDC) LEX64405

Lexmark's CS728de colour laser printer produces up to 47 ppm and includes e-Task colour touch screen, keypad and Gigabit networking.

A 1.2GHz quad core processor with up to 3GB of memory gives the CS728de fast and powerful print capabilities.

Professional colour features like ultra-sharp 4800 Colour Quality, PANTONE calibration and Lexmark Colour Replacement work with Unison Toner for precision matching of critical colours.

Lexmark-exclusive Embedded Solutions Framework applications let you run software solutions to meet your needs and industry requirements.

Media loading and feeding are engineered for ease, reliability and versatility, with up to 650 pages of standard input capacity (expandable to 2,300), small-media and banner-length support, and exceptionally durable input trays that resist misfeeds.

A bright, 10.9-cm colour touch screen features an ultra-smooth surface and can be activated by almost anything, including pens, fingertips or nails -without pressure or direct skin contact.

- Powerful quad core CPU

- Exceptional colour quality
- Versatile media handling
- 4 year guarantee
