Printer Standard Resolution : 1200dpi x 1200dpi
Product Family : ProXpress
Product Type : Laser Printer
Speed Monochrome : 38ppm

Pack Quantity 1
Price : £182.22

Overview

Samsung ProXpress SL-M3820ND (A4) Mono Laser Printer 128MB 2-Line LCD 38ppm (Mono) 80,000 (MDC)

Most businesses and small and home office (SOHO) companies increasingly require high productivity and lower operating costs from their printers.

These businesses need printers that also are easy to use and versatile for printing a range of documents and presentations.

Robust ProXpress M4020 3820 3320 series feature print speeds, powered by a Cortex-A5 core processor and up to 256MB of memory.

High speed and performance enable businesses to accelerate document and image processing for increased efficiency.

ReCP technology improves readability of printed documents by enhancing thin lines and sharpening the edges of negative text.

The ProXpress M4020 3820 3320 series deliver sharp, solid prints with effective output print resolutions of up to 1,200 x 1,200 dpi.

The printers' multipurpose tray supports media of up to 220gsm (grams per square meter) in weight, which offers more printing choices for professional documents.

Numerous labels, cards and envelopes can be printed using the multi-purpose tray with ease.

This ability virtually eliminates the time it takes to feed sheets one at a time.

Businesses can lower toner and paper usage with the One Touch Eco Button.

The One Touch Eco Button automatically activates 2-up printing (two pages on the same side) and duplex printing (printing on both sides).

Users can also choose the option to skip blank pages in the toner saving mode.

- Print with exceptional speed and superior quality
- Additional printing choices for professional documents
- Reduce operating expenses with economical features and solutions
- Central print usage control to save more resources
- Improve productivity with versatile features from duplex printing to security
