Overview

Brother ADS-3600W (A4) Wireless Network Document Scanner USB 3.0 9.3cm Touchscreen 50ppm (Colour/Mono) BA75535

Brother's ADS-3600W merges premium duplex scanning hardware and a feature-rich software package at a highly competitive price for noticeable business savings and increased productivity.

Supporting a range of document types, drivers and operating systems, the ADS-3600W features a staff-friendly colour LCD touchscreen, NFC (Near Field Communications) and wireless connectivity to ensure a seamless integration into your existing office environment.

The efficient unit is also fast at 50 pages per minute and dependable with a daily duty cycle of up to 5,000 sheets, making it ideal for businesses that regularly digitise lots of hard copies.

The Brother ADS-3600W colour document scanner offers business-ready, professional grade office scanning, for fast, efficient and time saving digitisation.

One touch scanning from the 9.3cm colour touchscreen provides a simple scanning solution for all office employees, while the large screen makes it easy to identify features and operate, minimising the need for staff training.

The programmable touchscreen can be pre-set to scan directly to designated locations including FTP or Network folder locations to instantly share documents across teams and departments.

One touch scanning helps prevent the risk of inaccurate filing and lost scans by ensuring all staff can easily scan to the desired location.

The ADS-3600W has both wired and wireless connectivity for work station flexibility.

Wireless connectivity means the ADS-3600W can be located in various areas across the office, situated

wherever is convenient.

Our secure wireless Network capability offers peace of mind for IT departments and business adaptability for users.

This high end document scanner incorporates scan to email, email server, file, image, USB and web as well as scan to Network, OCR (Optical Character Recognition) software and SharePoint for multi-function operation, and is ideal for larger business requirements.

Incorporating SuperSpeed USB 3.0 for high performance super-fast processing and optimised power efficiency, the Brother ADS-3600W is designed for improved usage and faster data transfers.

The unit also offers USB 2.0 backwards compatibility.

With auto 2-sided colour scan, a 50 sheet ADF (Automatic Document Feeder) and rapid scanning at up to 50 pages per minute, the ADS-3600W is a professional departmental scanner for small to medium business needs.

- Rapid double sided scans (50 pages per minute / 100 images per minute)
- Gigabit Ethernet wired network, SuperSpeed USB 3.0 and Wifi connectivity
- 50 sheet mixed batch document capacity from long paper to embossed plastic cards
- Lockable 9.3cm colour LCD touchscreen
- Loaded with advanced image processing features plus TWAIN, ISIS, WIA, ICA and SANE drivers for optimum performance
- Free premium software essentials bundle including ABBYY FineReader Professional, ABBYY PDF Transformer+ and Nuance PaperPort
