### **Overview**

---

Brother MFC-L9570CDW (A4) Colour Laser Multifunction Printer (Print/Copy/Scan/Fax) 1GB 17.6cm LCD Touchscreen 31ppm (Mono) 31ppm (Colour) 6000 (MDC)

Enhance performance with the large user-friendly touchscreen and super-fast ADF.

With a number of optional lower paper trays, less time can be spent replenishing paper, maximising device uptime.

With impressive scan and printing speeds, you can be sure that the MFC-L9570CDW will be a great asset to your business.

The speedy new MFC-L9570CDW, enables you to easily improve efficiency and productivity.

Enhanced document scanning and an Automatic Document Feeder that holds up to 80 sheets of paper, offer a quick and simple way to scan direct to the cloud or your network.

With the touch of a button, you can also customise the touchscreen with your own time-saving shortcuts, while longer-life cartridges mean more time working and less time changing toner.

And if your business grows, the MFC-L9570CDW can grow with it, providing expandable lower and tower paper trays that give you extra capacity.

The advanced security capabilities of the MFC-L9570CDW, ensures you are always in full control of your print infrastructure.

You can improve data protection by restricting machine access with network user authentication, and secure function lock, which allows you to password-protect certain device functions.

Plus, the NFC reader can be used to integrate with secure printing, enabling users to release their print job from any chosen device by swiping an ID card or entering a PIN.

- Eco-friendly
- Better reliability
- 17.6cm touchscreen
- USB, Wireless and Gigabit Wired network
- NFC (for mobile print & card authentication)
