Brother DCP-L5500DN Mono Laser All-in-One Printer (Print/Copy/Scan) 256MB 3.7 inch Colour Touchscreen 40ppm

The Brother DCP-L5500DN monochrome laser multi-function copier is a great solution for offices and small workgroups.

It offers cost-efficient output with its high-yield replacement toner cartridge, fast print and copy speeds up to 40ppm, and easy sharing via an Ethernet interface.

Advanced security features provide network user authentication to help protect against unauthorized access.

Plus, enjoy flexible paper handling with a 250-sheet capacity paper tray, a 50-sheet capacity multi-purpose tray and optional trays to increase total capacity to 1,340 sheets.

Quickly scan multi-page documents to a variety of destinations with the 40-page capacity auto document feeder.

Plus, a customizable colour Touchscreen display provides direct printing from and scanning to popular business cloud services.

- Fast, high-quality printing and copying. With a print speed of up to 40 pages per minute, this multi-function copier is ideal for busy offices
- Cost-efficient output. Help lower your operating costs via a high-yield 8,000-page± replacement toner cartridge
- Flexible network connectivity. Built-in Ethernet interface allows you to share the DCP-L5500DN with multiple users on your network
- Flexible paper handling. Easily handle your large print jobs via an adjustable 250-sheet capacity paper tray and 50-sheet capacity multi-purpose tray. Additional optional paper trays are available in 250-sheet

or 520-sheet capacities enabling users to configure the multi-function copier with multiple trays in a way that best meets their application requirements - up to 1,340-sheet total capacity

- Automatic duplex (two-sided) printing. Help save paper and create two-sided documents with automatic duplex printing. Also, create two-sided output from one-sided originals when copying
- 40-page capacity auto document feeder. Use for unattended copying or scanning of multi-page documents (up to legal size)
