Overview

Canon i-SENSYS MF512x (A4) Mono Laser All-in-One Printer (Print/Copy/Scan) 1GB 8.9cm Colour LCD 40ppm 100,000 (MDC) CO63577

The MF512x black and white A4 laser Multifunctional printer is tailor-made for enterprise workgroups needing fast, professional-quality output capabilities in a fully featured compact device built for flexible working.

Small enterprise workgroups in search of a big productivity boost will find the MF512x A4 black and white laser Multifunctional printer an unbeatable choice.

It boasts the powerful features and capabilities of a large office Multifunctional printer but in a compact device that's easy to accommodate in small spaces.

Busy teams will appreciate its fast, high-quality printing and copying at impressive speeds of up to 40ppm.

The colour touch screen enables easy operation for all levels of user; while a 600-page paper capacity and Quick First-Print from start-up help your teams work more efficiently.

Sensitive documents are protected using the Secure Print function that PIN-protects documents when printing from a PC or mobile device.

Thanks to the MF512x's extensive support for Apple AirPrint (iOS) and Mopria (Android), your workgroup can print from any enabled device.

They can also access a wide range of advanced features with the Canon PRINT Business app and can connect the device to a Google Cloud Print account in seconds.

Busy teams can gain welcome flexibility thanks to the MF512x's MF Scan Utility (for PCs/laptops) and Canon PRINT Business app (for mobile devices) that enables seamless cloud integration.

Teams can use their favourite cloud storage services - like Google Drive and DropBox - to capture, digitise and share documents at any time and from any place.

With a host of flexible networking capabilities, the MF512x makes a perfect addition to your enterprise network.

Alongside WiFi and Ethernet connectivity, full support for PCL5e/6 and Adobe PostScript printer languages enable easy integration into your device fleet.

- High-quality printing at a rapid 40ppm
- Colour touch screen enables easy operation for all levels of user
- Supports Secure PIN printing
- Print from smartphones and tablets with support for AirPrint, Mopria and the Canon PRINT Business app
- Automatic duplex printing reduces waste and consumables overheads
- Quick First-Print cuts waiting time and helps maximise workgroup productivity
- Easily work with documents remotely via the cloud
- Device and output management capabilities
- Simple to maintain with convenient All-In-One Cartridges
