Overview

Samsung CLX-4195FN (A4) Colour Laser Multifunction Networked Printer (Print/Copy/Scan/Fax) 256MB 4-Line LCD 18ppm (Mono) 18ppm (Colour) 40,000 (MDC)

Enjoy quality printing with high-powered performance.

The Samsung CLX-4195FN Colour Laser Multifunction Printer features Samsung's ReCP technology and uses new polymerised toner, so your output will be crisper, more vibrant and more vivid than ever before.

You'll also be able to print, copy, scan or fax at the touch of a button.

And, with a print speed of 18 pages a minute, you won't have to wait around.

With 4-in-1 versatility, the Samsung CLX-4195FN printer streamlines workflow and ensures that the office print operation is working as efficient as possible.

With print, copy, scan and fax functionality, the CLX-4195FN offers flexibility and lets you work with less barriers.

A host of innovative features like ID Copy, N-up copy, Scan-to-email and the convenient PC fax functionality ensure that your workforce has the necessary functionality needed to thrive in the modern world of business.

Samsung's unique ReCP (Rendering Engine for Clean Page) Technology improves the overall quality and vibrancy of your black & white printing, ensuring every printout looks perfect.

It automatically sharpens the focus of both graphics and text, while solid objects are overlapped to eliminate white gaps.

Our newly developed polymerised toner has smaller and more uniform particles than conventional toner.

Your printouts will have crisper lines and more vivid detail, in addition to eliminating paper curling.

- Copy, scan, print and fax at the touch of a button
- Enjoy quality printouts every time with ReCP
- Print vividly thanks to new polymerised toner
- Boost productivity with superfast performance
