Overview

Samsung ML-6515ND (A4) Mono Laser Printer (Ethernet/Duplex) 256MB 4-Line LCD 62ppm 275000 (MDC)

The Samsung ML-6515ND can be customized to suit your business needs.

With a fully modular setup and plenty of expandability options, this printer meets the exact needs of your business.

Feel free to multitask while your documents print: the ML-6515ND will crank through even your biggest print jobs without relying on you for a paper refill.

Upgrade the standard 520-page capacity cassette and 100-page multi-purpose tray with 520-page optional second cassettes and 2,000-page high capacity feeder for even larger capacity paper handling, perfect for all of your bulk printing needs.

Sometimes, bigger really is better.

The ML-6515ND lets you choose the right consumables option which you can afford.

Toner cartridges are available in cost-effective standard-yield 10000-page version and high yield 30000-page version which provide a lower cost per page and require fewer replacements.

The ML-6515ND increases your productivity with a print speed of 62 ppm in letter.

If its breathtakingly fast printing speed isn't enough, when you factor in the processing power that comes with an 700 MHz processor, Gigabit network and memory expandable up to 768 MB, there's no doubting the high-octane performance the ML-6515ND can bring to any office.

You shouldn't have to struggle to hear yourself think while sitting at your own desk.

That's why the Samsung ML-6515ND is engineered to be whisper quiet, generating a noise level of just 55

dBA while it's printing.

That's less than the gentle hum of a running refrigerator! A desktop printer that does its work while letting you focus on yours? Cool.

One touch of the ECO button lets you print using less toner on each page to extend the life of toner cartridge and administrator can modify for more eco-friendly print setting for multiple pages per sheet and duplex mode with toner save mode.

And it doesn't stop there.

- Totally adaptable, easily customizable
- The printer that works with your budget
- Welcome to your high performance office
- One less noisy office distraction
- Save time and earth with convenient one-touch eco mode
