Overview

Adonit Jot Pro 2.0 Stylus Pen (Black) for iOS

Get precision writing and drawing with the Adonit Jot Pro, a non-active stylus designed for iPad and iPhone.

It features a fine tip for unparalleled line accuracy, plus a precision disc on the tip to show you exactly where you're marking.

The tip dampens noise to reduce the sound of tapping when you work, and there's also a rubber grip for added comfort and control.

It's even magnetic to attach to Generation 2 and newer iPads.

Fine point non-active stylus for iPad and iPhone.

Precision disc lets you see where you're marking.

Sound-dampening tip ensures smooth and quiet stroke.

Rubber grip for comfort.
