Overview

Adonit Dash 2 Fine Point Precision Stylus (Black)

A fine point stylus gives you the ability to achieve a new level of detail and accuracy on your touchscreen.

The improved 1.9mm tip creates a paper-like drag that's more precise and responsive than ever before.

No need to connect - just open any note taking or sketching app and begin.

Dash 2 works on all iOS and Android touch screens.

Power on for up to 14 hours of continuous use.

Recharge within 45 minutes.

The Dash 2's aluminum body and sleek, ergonomic design make it an iconic multimedia tool.

Dash 2 is as pleasing to the eye as it is to your hand.

- Fine point precision at the click of a button
- Just plug the USB charger into any USB power source to recharge
- Dash 2 works on all iOS and Android touch screens
