Overview

Plantronics Savi W740/A Savi 3 in 1 Convertible UC Wireless DECT Headset System PLR03578

The Savi 700-series wireless headset will intelligently manage your PC-, mobile-, and desk-phone calls, and automatically update your UC presence status (With supported softphones, using supplied Plantronics software) so that colleagues can see your availability.

It can also connect with up to three other Savi headsets on a call, and has a wireless roaming range of up to 120 metres.

The headsets feature wideband audio and DSP for high quality, natural sounding call clarity and a single charge of the batteries provides up to nine hours talk time.

Once you experience a Savi 700 headset system you'll wonder how you ever lived without it.

- The Savi 700-series wireless headset allows connection to multiple devices (phone, mobile and PC) with control from a single headset
- Automatically updates UC presence status so that colleagues can see the user's availability
- Connect with up to three other Savi headsets on a call
- Wireless roaming range of up to 120 metres
- Headset features wideband audio and DSP for high quality, natural sounding call clarity
- Talk time: up to 9 hours on a single charge
