Overview

Plantronics Savi W730/A 3 In 1 Over The Ear UC Wireless Headset System (UK) PLR03584

The Savi 700-series wireless headset will intelligently manage your PC-, mobile-, and desk-phone calls, and automatically update your UC presence status (With supported softphones, using supplied Plantronics software) so that colleagues can see your availability.

It can also connect with up to three other Savi headsets on a call, and has a wireless roaming range of up to 120 metres.

The headsets feature wideband audio and DSP for high quality, natural sounding call clarity and a single charge of the batteries provides up to nine hours talk time.

Once you experience a Savi 700 headset system you'll wonder how you ever lived without it.

- Three-way connectivity lets you easily switch and mix audio between PC, mobile and desk phone calls
- Automatically routes mobile audio to whichever device you pick up - headset or mobile phone
- Easily transfer audio between headset and mobile phone to take calls on-the-road
- UC presence automatically updated when on a PC, mobile or desk phone call
- Energy efficient adaptive power system optimises for range and talk time
- Conference in up to three additional headsets and guests can continue through multiple calls
