#### Polycom VoiceStation 300 Conference Phone

The Polycom VoiceStation 300 is a small conference phone ideally suited for desktops, offices, and other small rooms.

With a microphone range of up to seven feet, the VoiceStation 300 is ideal for small conferences with three to four participants.

Plus its compact industrial design fits well on a desk or small table, making it a great solution for offices.

The VoiceStation 300 provides Polycom's legendary voice quality at an affordable price.

Featuring Polycom's award-winning Acoustic Clarity Technology, the VoiceStation 300 delivers significantly improved voice quality over the previous-generation VoiceStation 100.

The VoiceStation 300 features three sensitive microphones that offer 360-degree room coverage.

Smart technology, such as Dynamic Noise Reduction (DNR), provides maximum microphone sensitivity, while reducing distracting room and background noise.

Plus, Polycom's legendary full-duplex technology ensures that everyone on the call can be heard.

- Polycom's patented Acoustic Clarity Technology allows simultaneous, natural, free-flowing conversation
- Coverage from up to 7 feet (2m) away
- A great hands-free conferencing solution for home offices and small businesses
- Connects into any analogue phone jack
- WxDxH: 235x242x76mm
- Weight: 0.57kg
