Overview

Polycom VVX 310 6-line Business Media Desktop Phone Gigabit Ethernet with HD Voice PoE (Black) PLY77470

The Polycom VVX 300 is an expandable business media phone that delivers crystal clear communications, enhanced collaboration and personal productivity.

The VVX 300 phone brings high-quality, cost effective solutions to any environment through advanced UC features.

The intuitive user interface of the VVX 300 makes usability and navigation easy and requires minimal training.

The VVX 300 delivers breakthrough Polycom HD Voice quality for life-like conversations while minimizing fatigue making calls more efficient and productive.

Give your front line workers the best experience with this high quality six-line business media phone.

The VVX 300 improves personal productivity by complementing the workplace applications on their computer.

Users can view and manage their Microsoft Exchange Calendars, receive meeting reminders and alerts, access the corporate directory and Instant Messaging/presence status right on their phone display, even while waiting for their PC to boot.

They can also extend their PC's desktop to include the VVX 300 phone's screen for mouse/keyboard navigation and interaction.

The VVX 300 phone is easy to deploy and simple to manage.

Using an enterprise grade, web-based, configuration method allows administrators to easily provision and maintain even a small number of phones throughout the entire organization.

The VVX 300 phone provides personalized information at a glance, through built-in web applications and custom backgrounds.

The VVX 300 phone also comes ready for future expansion modules as your users' needs and business

grows.

Designed for enhanced interoperability, the VVX 300 leverages and complements the other existing IT investments in your business.

With the broadest call server interoperability in the industry, the Polycom VVX 300 entry level business media phone can become the flexible and future-proof foundation for any organization's unified communications strategy.
