Duracell Plus Power (AA) Alkaline Batteries (Pack of 8)

Economical, general purpose 1.5V AA alkaline battery with a high energy output that are reliable with a long shelf life, and good low temperature performance.

Duracell Plus Power now has longer life compared to previous Duracell Plus Power batteries; Ideal for everyday use.

Duracell's DURALOCK technology means these batteries are guaranteed to stay powered for up to 10 years\* when not being used.

This huge leap forward in battery technology has been made possible by improvements in the purity of ingredients and upgrades to the construction of the battery cell meaning less power is lost when in storage.

- Non-rechargeable, low cost
- Plus Power lasts and lasts
- General purpose battery with many applications
