Product Type : NiMH Battery
Voltage : 1.2V
Distributor Numbers : Vow Code: VR55061
Battery Size : AAA
Battery Type : Nickel Metal Hydride

Pack Quantity 1
Price : £10.43

Overview

VARTA NiMH Battery AAA Pk 4 VR55061

Ni-MH product range with long-lasting energy for all standard devices.

Ordinary rechargeables get discharged during storage and lose much of their capacity.

With VARTA Ready2Use rechargeables you won't have much of a capacity problem.

Once charged these new batteries still retain 80% of their capacity after one year of storage.

VARTA Ready2Use rechargeables do not require a special charger and can be used for all applications.

- Long-lasting product range for all standard devices
- Suitable for all chargers
- Single Press Out enables easy opening of the pack and good storage for unused batteries
- Voltage: 1.2V
- Battery Capacity: 800 mAh
