Overview

Avery 5-Tier Steel Letter Rack (Grey)

Do you receive a lot of mail? If you work in an office where mail is sent to lots of different people you will need to sort the mail for each recipient.

If you put it on people's desk it may not be seen or get put to one side.

You need a system that means all the mail is kept in one place and a letter rack or letter tray is the ideal solution.

This 5-tier Steel Letter Rack is durable so it won't get damaged by daily use.

You can store mail for either five people or perhaps five departments if you work in a larger organisation.

- Letter rack to keep your office desks tidy
- Letter trays for up to five different recipients
- Made from steel so strong and durable
- Available in a range of other colours to match all your office accessories
