Overview

Addis (48.0L) Plastic Bin Base (Metallic) with Roll Top Lid

Addis Roll Top Bin - 48 Litre Capacity.

polypropylene, metallic-effect finish, roll- top bin is ideal for positioning under work surfaces as the lid opens internally.

Slotted rim clamps bin liner firmly in place.

Smooth plastic and rounded corners.

- Modern styling with durable construction and easy to clean surfaces
- 48L bin base
- This lid stays open for ease of use and the roll design is ideal for use under the worktop where the lift top design will not fit
