Overview

SYR Combi Ash Stand/Bin (Black)

SYR Black Combi Ash Stand/Bin (Pack of 1) X0086209.

The ashtray is specially designed to prevent oxygen flow meaning that even if cigarettes are not properly extinguished, they will be smothered.

This prevents the risk of any unwanted fires in your bin.

The bin also has another compartment for general waste, meaning that you can keep flames from any type of flammable material..

.

Combination bin and ashtray for safe smoking area/entrance waste disposal.

Designed to extinguish cigarettes immediately.

Separate areas for refuse and cigarette butts.

Removable inner ash tray for easy disposal.

Ideal for designated smoking areas and at entrances.

Height: 630mm.

Diameter: 250mm.

Capacity: 17 litres.

Colour: Charcoal.
