Overview

Brian Clegg PVA Glue Blue Label 600ml

Developed for younger children and specifically formulated to wash EXTREMELY easily from clothes, brushes, work areas and hair, even when dry.

With excellent bonding properties and versatility of use, Blue Label is ideal for nursery or primary education.

Blue Label contains a high percentage of a water dispersible ingredient used in 'bio films' and this therefore is the most eco-friendly PVA product in the Brian Clegg product range.

Blue Label - Washable PVA Adhesive is phthalate, latex, wheat and gluten free.

- Even when dry washes extremely easily from clothes, classrooms, skin and hair
- Excellent washability
- High water dispersible content
- Most eco- friendly PVA product in our range
- Phthalate, latex, wheat and gluten free
- Safer for children
