Overview

UniBond No More Nails On a Roll (19mm x 1.5 m) for Interior/Exterior

No More Nails On A Roll offers strong and reliable instant bonding on flat surfaces.

Durable for interior and exterior use.

Apply to clean, dry surfaces that are free from moisture, dust, oil, grease and polish.

For best results clean surfaces with methylated spirit.

As No More Nails On A Roll provides an instant bond it is essential to ensure correct positioning before item is stuck into place.

No More Nails on A Roll comes in 2 versions.

If you are looking to bond heavier items then use No More Nails Interior and Exterior as it can hold up to 120kg per roll.

A Handy tip: No More Nails Interior and Exterior is also waterproof so you don't have to worry about the effects of the rain if you have bonded something outside.

No More Nails On a Roll can be used for a variety of jobs such as sticking hooks, signs, house numbers, pictures, letterboxes, bathroom mirrors or car number plates.

Try not to touch the adhesive during application as this may affect the bond.

- Take care to ensure the correct positioning
- Store in a cool, dry place. Protect from direct sunlight and frost
