AV14012
P460

Colour(s) : Black
Cutting Capacity : 30 Sheets Of 80g/m²
Maximum Cutting Length : 46cm
Model Name : P460
Product Family : Precision
Product Type : Trimmer

Pack Quantity 1
Price : £88.58

Overview

Avery Precision Trimmer Rotary Cutting Length 460mm Capacity 30x 80gsm Area 613x371mm A3 Ref P460

Avery Precision Trimmers: combine the accuracy, cut quality and safety advantages of rotary trimmers with the greater capacity achieved with guillotines..

Self-sharpening steel rotary blade enclosed in an easy to hold cutter head, designed to prevent pinch.

Paper and photographic templates on steel baseboard.

Automatic pressing against the cutting edge prevents paper slippage.

With folding guard.

Excellent adjustable and lockable backstop to enable accurate repeat cutting.

Designed to European safety standards.

Paper size: A3.

Table area: 613x371mm.

Cutting length: 460mm.

Sheet capacity (80g/m²): 30.
