Overview

Avery (A0) Precision Trimmer Rotary Cutting Length 1370mm Capacity 15x 80gsm Area 1523x371mm

Are you the type of person who takes pride in everything you do? Someone who pays attention to detail and ensures all their work is accurate? If so, you need the A0 Precision Trimmer for all your paper cutting and trimming.

You will find its accuracy and cut quality ensures your work is completed to the highest standard as well as meeting all your safety needs.

This large trimmer cuts up to A0 paper.

It's a great time saver too as it has a cut capacity of 15 sheets of paper so it's perfect for in the office.

- Avery Precision Trimmers: combine the accuracy, cut quality and safety advantages of rotary trimmers with the greater capacity achieved with guillotines
- Self-sharpening steel rotary blade enclosed in an easy to hold cutter head, designed to prevent pinch
- Paper and photographic templates on steel baseboard
- Automatic pressing against the cutting edge prevents paper slippage
- With folding guard
- Excellent adjustable and lockable backstop to enable accurate repeat cutting
- Designed to European safety standards
- Paper size: A0
- Table area: 1523x371mm
- Cutting length: 1370mm
- Sheet capacity (80gsm): 15
