Overview

Rapesco 2160 Heavy-Duty 2-Hole All-Metal Hole Punch

The 2160; a tough, all-metal heavy duty hole punch with a capacity of up to 300 sheets (80g/m2).

This punch delivers maximum capacity 2-hole punching with minimal user effort thanks to clever engineering and high leverage.

The paper compressor mounted on the cutter head ensures that perforations are crisp, clean and exact.

Additional features include an adjustable locking gauge marked with paper sizes for increased versatility.

We recommend changing the punching boards and cutters occasionally to ensure maximum performance and doing so is quick and easy.

The 2160 uses Rapesco ZSPC2160 Punching Cutters and ZSPBOARD Punching Boards.

Reassuringly solid and sturdy, the 2160 is a work horse that won't let you down.

Manufactured from high quality materials to exacting standards; this heavy duty hole punch has been built to consistently perform at a high level and is backed by our 15 year guarantee.

- Extended arm and solid metal construction allows you to punch through up to 300 sheets with minimal effort
- Paper compressor mounted on the cutter head helps produce clean, exact perforations
- Adjustable locking gauge marked with paper sizes for neat and precise hole positioning
- Screw-tight base determines size of indentation
- 15 year guarantee
