Overview

Colop (110 x 70mm) Microporous Stamp Pad Small Violet (Single)

Made from pre-inked, microporous material, this COLOP stamp pad creates thousands of clear imprints when used with your traditional COLOP stamp.

There is no need to re-ink, as the microporous material has good ink absorption and retention for long lasting use.

This small stamp pad is pre-inked with violet ink and measures 110 x 70mm.
