Overview

Rapesco AV-45 Heavy Duty Stapler Black 1063

Heavy duty stapling from Rapesco - the AV-45, ideal for stapling up to 115 sheets (80gsm).

With tough metal construction and hardened ABS body, the AV-45 is a heavy-duty work horse that's ideal for those high-capacity, demanding stapling jobs.

Feature rich, the AV-45 has a contoured handle with inset grip, a personalisation window and an easily adjusted paper guide to help manage large paper stacks along with an anti-slip base to aid the heavy duty functionality of this stapler.

With an adjustable depth gauge from 7-62mm, this stapler benefits from a central pivot design which provides maximum leverage - delivering huge stapling power with minimal user effort.

Loading the AV-45 is easy thanks to its push-button front-loading system and it fires Rapesco 923 Series staples from 8-15mm, we recommend checking the staple size required for the paper stack.

Beneath the casing is a rugged steel chassis which ensures this Heavy Duty Stapler will withstand years of heavy use and is backed by our 15 year guarantee.
