Overview

Rapesco Flat Clinch Half Strip Stapler (Black)

The Flat Clinch - achieving neat paper stacking with up to 30 sheet (80gsm) capacity.

Flat clinch stapling employs a clever mechanism which flattens the staple legs on the reverse side of the paper - avoiding sharp edges and achieving neat paper stacking, also increasing binder capacity by up to 30%.

Compact in shape and size but packing plenty of power, the Flat Clinch provides stapling power with minimal effort.

Features include a personalisation window and a full rubber base for stability.

With a maximum sheet capacity of 30 sheets, the Flat Clinch is top-loading for convenience and uses Rapesco 24/6mm and 26/6mm staples.

Featuring an all-metal inner channel / chassis, this stapler has been built from high quality materials and tested to exacting standards to ensure continued satisfaction, backed by our 15 year guarantee.

- Flat clinch mechanism that folds staple legs completely flat for neat paper stacking
- 25% less stapling force required
- Uses 26 & 24/6mm staples

- Features include a full rubber base for added stability and a Personalisation window
- All metal inner channel/ chassis for increased durability
