Overview

Rapesco X5-90PS Power Assisted Heavy Duty Stapler

Less effort heavy duty stapler from Rapesco.

Stylish, practical and making short work of large stapling jobs, the X5-90ps is a great addition for any office.

Stapling up to 90 sheets (80g/m2) with the lightest of touches, the X5-90ps boasts easy, top-loading half strip staple capacity.

A durable and hardworking stapler with a solid structure and all-metal chassis.

This innovative stapler features a paper / margin edge guide which can also be used to clear staples in the unlikely event of a jam.

Forming part of our Less Effort range of Staplers and Hole Punches - the X5-90ps' clever engineering and design ensures maximum stapling power for minimal user effort - up to 60% less stapling effort is required.

Handling large stapling tasks with ease, this Less Effort Stapler will deliver results beyond the capabilities of most other manufacturers.
