#### Rapesco 790 Front Loading Long Arm Stapler Charcoal

The 790 Long Arm Stapler - our top-of-the-range Long Arm Stapler, feature rich and ideal for stapling booklets thanks to its 300mm (12 inch) throat depth.

With a 717 Spinna head unit this stapler offers the same high performance, reliability and features as its desktop sibling; easy, trouble free loading thanks to its push-button release front-loading mechanism with a braking system to control the magazine ejection and a rotating anvil to switch between stapling and pinning (for temporary fixing).

Highly capable, the 790 Long Arm has a capacity of up to 50 sheets (80g/m<sup>2</sup>) and is ergonomically designed to ensure ease of use.

This Long Arm Stapler offers easy stapling of up to 50 sheets (80gsm) when using Rapesco 26/8mm and 24/8mm staples a calibrated, adjustable paper guide.

Manufactured to exacting standards to ensure years of trouble free use, the 790 Long Arm comes backed by our 15 year Guarantee.

- Perfect for centre stitch stapling of even the largest pamphlets or brochures
- Offering the same specification, performance and reliability as the Rapesco Spinna but in a long arm

version

- 300mm stapling depth, uses 26/6 & 24/6mm staples and comes with 105 26/6mm staples for a quick start
- Calibrated adjustable paper guide/margin adjuster and easy push button magazine
- L - 386mm x W - 47mm
