#### Rapesco Porpoise Metal Stapling Plier Grey

A traditional, all-metal stapling plier, the Rapesco Porpoise is ideal for a range of applications.

Ergonomically designed and with contoured handles, this stapling plier has a throat depth of 59mm and is perfect for packaging work, jiffy bags and mail room tasks.

With a rear spring-loading mechanism, the Porpoise fires Rapesco 26/6-8mm and 24/6-8mm staples, capable of handling up to 50 sheets of 80gsm paper for increased versatility while its rotating anvil allows for switching between staple or pin setting for temporary fastening.

Highly capable and hard-working, the Porpoise is a stapling plier that will prove the work-horse of many a working environment, be it the office, post room, garden, school or beyond.

Manufactured from high-quality, die-cast metal and produced to exacting standards to ensure optimum performance, the Porpoise comes backed by our 15 year guarantee.
