Overview

Rapesco ECO HD-140 Heavy Duty Stapler (Soft White)

The ECO HD-140 Heavy Duty Stapler takes the effort out of stapling up to 140 sheets (80g/m2).

This powerful stapler is finished in an attractive soft white finish and manufactured from 85% recycled plastic.

With full strip, push-button front-loading this stapler also features a soft feel rubber handle grip for user comfort and non-slip rubber feet for added desktop stability - particularly useful when stapling larger stacks and has a unique paper guide locking system.

Backed by a 15 year guarantee.

Uses 923/6-17mm Rapesco Staples.

- Made with a high level of recycled plastic
- Uses 923/6-17mm staples
- 140 sheet capacity
- Unique paper guide locking system
- Soft feel rubber handle grip for comfort
