### Overview

---

#### Rapesco Long Arm Marlin Stapler

The Marlin Long Arm Stapler - a high quality stapler that's ideal for stapling booklets thanks to its 300mm (12 inch) throat depth.

With a Marlin head unit this stapler offers the same high performance and benefits as its desktop sibling; easy, trouble free top-loading, a soft ABS top cap for comfortable repetitive use and a rotating anvil to switch between stapling and pinning (for temporary fixing).

Ergonomically designed to ensure ease of use, the Marlin Long Arm offers full-strip capacity.

This Long Arm Stapler offers easy stapling of up to 25 sheets (80gsm) and features a tough metal upper arm and calibrated, adjustable paper guide.

Its full metal chassis has been manufactured to exacting standards to ensure years of trouble free use and comes backed by our 15 year Guarantee.

- Perfect for centre stitch stapling of even the largest pamphlets or brochures
- Calibrated adjustable paper guide and full metal chassis
- Uses staples 26/6 & 24/6mm and comes with 105 staples 26/6mm for a quick start
- Tough metal upper arm with top loading stapling head that allows 300mm stapling depth
