Overview

Rexel Optima HD70 Staples P2500 2102497

Manufactured in high-quality steel with longer legs and sharper points to penetrate up to 70 sheets, Rexel Optima HD70 Staples guarantee jam-free stapling when used with Rexel Optima 70 manual and electric staplers.

Available in units of 2500 presented in a smart, aluminium tin with a secure lid.

If you find that your stapling machine regularly jams or malfunctions, then you're probably using the wrong type of staples and possibly trying to staple too many sheets at one time.

This is where the Optima HD70 Premium comes into play, a robust staple with slightly longer legs and sharper points that can penetrate thicker documents of up to 70 sheets in one go, a useful tool in ensuring the tidy and efficient management of those slightly larger files.

- Rexel Optima Staples offer a jam free guarantee when used with Optima Staplers
- Presented in a smart, professional and secure tin these staples are designed to deliver
