Overview

Postit ZNotes 76x127mm Yllw 3M01428

Designed for use with a Post-it Z Notes Dispenser (sold separately), Post-it Z Notes are fan folded to pop up one after another - grab a note, and another one will be ready and waiting for next time! These larger sized, rectangular notes are perfect for those times when you need to fit more information onto each sheet.

They are ideal for revision notes, lists or longer messages and will stick firmly into a text book, onto a document or in your diary without damaging the underlying page or leaving a sticky residue behind.

Keep them handy on your desk, by the phone, in the kitchen or in the classroom so there's always a note close to hand.

This pack contains 12 pads of Post-it Z Notes.

Each pad contains 100 sheets measuring 127 mm x 76 mm, with a strip of Post-it Adhesive along the longer edge.

To enable easy, one-handed dispensing, we recommend a weighted Post-it Z Notes dispenser.

Please ensure you purchase a dispenser that can be loaded with these larger notes.
