Overview

Posturite MultiRite Medium Document Holder and Writing Slope (Silver/Black)

Our unique two-in-one document holder and writing slope helps to reduce workday aches and pains by allowing you to read, write or type without risking awkward twists or turns.

Unique to Posturite, it's still our best-selling product - a must-have accessory for any workstation.

- Elegantly simple to adjust height and angle
- Single pivot point at the front and infinite one touch adjustment at the rear
- Sliding top provides 2 different working positions
- Allows you to make optimal use of your workspace
- Rubber feet ensure stability
- Suitable as a document holder and writing board
- Available in Small (silver/black), Medium (white or silver/black) and Large sizes (silver/black)
- Angle adjustment: 8 to 22 degrees
