Overview

Bioffice Flame Resist Notice Board

Tested according to EN13501, the Bi-Office Fire Retardant Notice Board is independently verified to prevent fires.

With a reliable blue fabric construction, this notice board is suited to use with push pins, ensuring that attaching papers is not difficult.

The stylish aluminium frame provides stability that allows for the board to be hung without having to worry about deterioration.

- Ideal for use in corridors and public building
- Fire retardant notice board for safe display
