Overview

Iderama (A4+) Polypropylene (13 Sections) Expanding File Folder (Assorted Colours) Pack of 6

In addition to the card filing range, the new Iderama PP filing is a real breath of fresh air for the plastic filing market.

- Iderama Polypropylene is the first range to introduce a very glossy semi-transparent sheen with a palette of amazing colours
- Co-ordinates with the card range and of the highest quality products made in France
- This expanding file has a front pocket for filing along with 13 sections for A4 filing. 24x32cm
- Button closure and elastic to keep contents secure
