Overview

Leitz Click and Store Magazine File (White)

Magazine file with label holder for indexing on the back and front.

Collapsible for space saving storage when not in use.

Laminated surface for better, long-lasting protection.

This contemporary design looks great in any office and at home.

- Striking and stylish magazine and catalogue file
- Open top for fast content insertion and easy access
- Fast and easy to assemble thanks to button mechanism and the folding action (reduces storage space when box not needed)
- Give your workplace or your home the WOW factor with this range of products in striking and stylish colours
- Gloss polypropylene finish for a premium look, enhanced durability and an easy to clean surface
- Easy content indexing thanks to high quality metal label holder and white labels
- Made of strong, premium cardboard
- Patented construction for extra protection against accidental opening of the box when heavy content carried
