Overview

Barton (12.8 Litre) Small Parts Container (Blue) Pack of 10

Barton Blue Small Parts Container 12.8 Litre (Pack of 10) 10051.

Use Barton Blue 12.

8 Litre Small Parts Containers (10051) together with Barton Louvred Panels (sold separately) to store fiddly components and fittings in an organised, easy-to-use system.

These trays are manufactured from robust polypropylene that can withstand high temperatures and most industrial solvents.

But despite their durability, they're non-toxic and suitable for food storage.

The semi-open design makes it easy to see the contents at a glance.

Add your own label in the index card slot for quick identification..

.

Semi-open containers for use with Barton Louvred Panels.

Index card slot for easy identification of contents.

Made from injection-moulded polypropylene for durability.

Anti-static additive protects sensitive electronic components.

Uses up 12 louvres on Barton Louvred Panels.

Maximum load: 30kg.

Supplied in a pack of 10.

Dimensions: 205x350x182mm (WxDxH).

Capacity: 12.8 Litre.

Colour: Blue.
