Overview

VFM (20 Litre) Plastic Container with Lid (Green)

VFM Green 20 Litre Plastic Container with Lid (pack of 1) 306578.

These storage boxes are the ideal choice to store items and ensure that they are protected from dirt and moisture throughout.

The boxes are manufactured from strong and durable polypropylene with reinforced bases, making them extremely hard wearing and long lasting, ideal for use on a conveyor or for rough and heavy handed handling.

The hinged lids fold down to be extremely sturdy and allow for up to 6 high stacking, while when open and empty they can nest together..

.

Manufactured from strong and durable polypropylene.

With integral hinged lids.

Stackable up to 6 high and can nest when empty.

Reinforced base make container ideal for conveyor use.

Dimensions: L400 x W300 x H252mm.
