Overview

VFM (600x400x319mm) European Stacking Container (Grey)

VFM Grey European Stacking Container 600 x 400 x 319mm (pack of 1) 63192.

With deep vertical sides they provide a storage capacity of up to 60 litres, with handle holds on each side for a firm grip when carried.

They can be stacked for even more efficient use of space.

With a footprint of 600 x 400mm, you can easily fit two on a standard pallet - even more if stacked.

If you are looking for a subtle and yet effective way to keep your office or workplace tidy, these grey items are certainly worth looking into..

.

Stackable storage container (measures 600 x 400 x 319mm).

Designed for standardised 1200 x 800mm European pallets.

One pallet fits four containers.

Vertical sides for efficient storage.

Can be stacked for more compact storage.

Capacity: 60 litres.
